CABL service will change within the City of Marietta on October 21. Vehicles will no longer operate on a fixed route. Instead, CABL will take you directly to and from your destination. Customers may book a same-day trip or pre-book a trip up to two weeks in advance by calling CABL at 740-373-7671 or scheduling via the CTS Rider Portal app on your smartphone or tablet. CABL recommends scheduling your trips in advance.

If you are already a paratransit or Dial-A-Ride customer with CABL, you are automatically registered.
